

# E001 : BLEACH

quality standard strength

### Description of product

Disinfects and kill germs on most hard surfaces, eradicates malodours at source. Keeps drains and toilets clean and sweet smelling. A powerful bleach effective against a wide range of pathogenic organisms.

### Product Uses

Drains, floors, lavatories and for general disinfecting and cleaning.

### Directions

For general disinfecting use 1 part to 80 parts water. Use undiluted for toilets and drains. Bleach solution should be used with care and stored safely. Bleach can cause damage to carpets, fabrics, plastic, lino floor coverings and many other common materials. N.B. Do not mix with other cleaners. Keep separate from acids. Do not use on metals surfaces such as stainless steel, chrome, etc
